THE FOOD CULTURE ROUTE EIDFJORD

2020-2021 EDITION

The 'Food Culture Route' of Eidfjord is surprisingly vibrant, with a great many places to sample the unique local cuisine of the Hardanger region, as well as a good selection of international food options.

Close to the high mountain plateau with the Hardangervidda National Park, along the famous fishing river the Eio river and at the end of the great Hardangerfjord – Eidfjord is rich in local food and produce, from the surrounding farms, artisan makers and chefs who call this region home.
